

## LOTF MEETING NOTICE

Monday October 12, 2009

1:00 p.m.

UNO Advanced Technology Center

2021 Lakeshore Drive, Suite 200

New Orleans, La. 70122

Tentative Agenda

- I. ROLL CALL
- II. APPROVAL of July 27, 2009 MINUTES
- III. OYSTER DEVELOPMENT ACCOUNT INFORMATION
  - a. Oyster Tag Sales- (LSPMB Staff)
  - b. LOTF Financial Report-(LSPMB)
  - c. Crop Insurance Reimbursement- (Ewell Smith)
- IV. NEW BUSINESS
  - a. Operation of Caernarvon Freshwater Diversion (Kenny Fox)
  - b. LOTF positions on ISSC Proposals
  - c. Streamlining of Government/Oyster Program (Governor's Office/DHH/DWF)
  - d. Act 417 Exemptions for oyster harvester and dealers from V.v. and V.p. guidelines (DHH&DWF)
  - e. Crop Insurance Update (Robert Cerda)

Motion  
advised by  
John  
and  
Liam  
Shir

## V.COMMITTEE REPORTS

- A. Department of Health and Hospitals
  - a. Update on Joint Health/DWF Committee Meeting Regarding DHH Logs and LDWF Trip Tickets – DHH and LDWF (David Guilbeau/Patrick Banks)
  - b. Update on water temp found at different levels of water column to see if the *Vibrio* calculator can be adjusted to reflect those differences
  - c. Update on Sabine Lake (DHH)
  - d. Education program for oyster harvesters and oyster dealers
- B. Governor's Office on Coastal Affairs
  - a. Ostrica Locks construction update (Jerome Zeringue)
  - b. Marsh Island Restoration Project Information
- C. Department of Wildlife and Fisheries
  - a. Update on Maps that include DEQ Areas, Health Areas, Seasonal Closures and Longitudes/Latitudes
  - b. Update on non- renewal policy of oyster leases within Public Oyster Grounds & Wildlife Management Areas
  - c. Update on Request to exchange oyster lease acreage adversely affected by Coastal Restoration Projects
- D. Public & Private Oyster Grounds Committee (Buddy Pausina)
  - a. Biological surveys following permitted coastal activities
  - b. Study group report on exemptions for concrete mats in coastal zone
  - c. SeaGrant Legal opinion on land-water ownership
  - d. Harvesting rules for the "planting only" portion of public harvest season
- E. Research- (John Supan)
  - a. Update on *Vibrio* growth in oysters after initial harvest float research
- F. Enforcement (Keith Lacaze)
- G. Legal (Buddy Pausina)
  - a. Recording of Oyster Leases
- H. ~~Coastal Restoration Activity Impact Sub-Committee- (John Tesvich)~~
  - a. ~~LOTf position paper on fresh water diversions for the Governor's Office on Coastal Protection, restoration, and Conservation~~
- VI. Set Next Meeting
- VII. ADJOURN

## Oyster Task Force Meeting

July 27, 2009

### I. Roll call

Present – Bagala, Banks, Collins, Coulon, Dyson, Jurisic, McManus (LaCaze), Pausina, Robin, Sunseri, Tesvich, Mike Voisin, Wilson Voisin, Peter Vujnovich, Rhinehart (Zeringue)

Absent - Dana Brocato, Glenn Cambre

### II. Approval of June 22, 2009 Minutes

**A motion to approve the minutes of the June 22<sup>nd</sup> meeting was made by Dan Coulon, 2<sup>nd</sup> by Mike Voisin. Motion approved**

### III. Oyster development account information

- a. Oyster tag sales – Tag sales will be out on August 1st
- b. Lotf financial reports – Salaries was the only expenditure thus far for FY 10
- c. Crop insurance reimbursement – Travel was \$3421.63, \$20k contract with Crop Insurance service for a total of \$23, 421.63 Submit to USDA for reimbursement

### IV. Committee reports

#### A. Department of Health and Hospitals

- a. Update on Joint Health/DWF committee meeting regarding DHH Logs and LDWF trip tickets - DHH– David Guilbeau discussed
- b.
- c. Sabine Lake- should have everything complete by next week  
Update on Maps that include areas, seasonal closures and longitudes/latitudes – added turning points which are coordinates a map was displayed that shows the open and closures. The maps will be available online beginning next week.

David Guilbeau informed the task force that July 20 was the final rule on waste receptacles

#### B. Governor's Office on Coastal Affairs

- a. **Ostrica Locks construction -A motion to write a letter to congressional delegation, cc: Department of Homeland Security, LRA to speed up Ostrica Locks was made by John Tesvich, 2<sup>nd</sup> by Jakov Jurisic.**
- b. Annual Report on oyster leases affected by coastal restoration projects – PowerPoint presentation. Report requested by Sunseri.

**Motion to put John Tesvich on research committee second by Mike Voisin**

**C. Department of Natural Resources –**

**D. Department of Wildlife and Fisheries**

**a. Department of Wildlife & Fisheries**

Update on Maps that included DEQ Areas, Health Areas, Seasonal Closures and Longitudes/Latitudes - survey section is working with DEQ

b. POLR program update – Patrick updated task force members

**E. Public & Private Oyster Grounds Committee**

*a. Biological surveys following permitted coastal activities* – oil and gas activities, life on surveys so it wouldn't go on indefinitely. The committee meets tomorrow. No survey will be good longer than two years. Jakov suggest surveys no longer valid after 6 months

*b. Study group report on exemptions for coastal zone permits requirements for concrete mats*- no meetings on this subject since the last task force meeting. Karen informed the task force that a meeting has taken place. Remind secretary to invite task force to these meetings

*c. Sea grant legal opinion on land-water ownership*- was almost ready to get out, but waiting on information from lease holder. A report should be ready by the end of the week.

**F. Enforcement** – no committee report at this time, however McManus informed OTF of complaints

**G. Legislative**

a. Set meeting with DWF to develop harvesting rules for the planting only portion of public harvest season – covered under PPOG committee

**H. Research** – no research committee meeting has taken place

*a. Dermo study*- Supan distributed a handout for east of the river & hackberry bay, dermo is extremely contagious to other oysters, sack market size oysters - will be handing in completed report, has a little money to notify industry by water bottoms [www.Oystersentino.org](http://www.Oystersentino.org)

b. Educating the harvesters and dealers prior to obtaining a commercial license – Supan suggests moving this report to health committee  
Started study looking at vibrio in oysters freshly harvested then put in floats while working compared to oysters in a sack.

I. Coastal Restoration – working on a draft and outline, will call a sub-committee meeting prior to the next meeting for those that want to participate  
Coastal Restoration activity impact sub-committee

a. Plans for myrtle grove large- scale river diversion – barataria bay

## J. Oyster resource advisory committee

a. Oyster season recommendations –

Patrick handed out stock assessment report.

**Motion by John Tesvich to do research on the reason why we are not finding seed production on an annual basis when conditions were previously good for large seed production and to follow up with looking for funds to do that. Second by Mike Voisin.**

CSA I- agree with committee

CSA II- agree with committee

CSA III- agree with committee

CSA IV- agree with committee

CSA V- agree with committee

CSA VI- agree with committee

**Adopt committee recommendations CSA I-CSA VI and make a motion that WLF committee accepts recommendations, accepted by Mike Voisin, second by Wilson. Passed.**

**CSA VII-Dyson makes motion to adopt 20 sack limit, second by Voisin. Motion carries.**

**Motion by Tesvich to have a statewide daily sack limit of 75 with possession limit for two days of 150 sacks, second by Robin. Tesvich made a substitute motion to have a 75 daily possession and sack limit until Dec. 1, second by Bagala. All motions on this matter withdrawn.**

**Motion by Mike to have a daily possession sack limit in sister lake to 50 sacks, Tesvich second.**

## K. Marketing

a. Briefing book-no update

## VII. New business

A. OTF position on diversions, governor's advisory commission

**B. Motion for oyster vessel seed ground permit legislation and notifying the oyster community- motion to notify oyster community harvesters about seed vessel ground permit new law, final day of permit is Dec. 31<sup>st</sup>. Motion by Voisin, motion second by Dyson.**

C. Hurricane relief fund distribution among the seafood industry sectors

Jakov made a motion for to write a letter to Secretary Barham.

D. Operation of Caernarvon freshwater diversion

E. Recording of the oyster leases- Mike brought up the question of what is the purpose of recording oyster leases. hat is the purpose of recording oyster lease- Buddy will seek legal opinion.

Next meeting is Tuesday, Oct. 13.

Motion by Voisin and second by Tesvich to adjourn

**ACT No. 417**

Regular Session, 2009

HOUSE BILL NO. 390

BY REPRESENTATIVES HENDERSON AND BALDONE

Prefiled pursuant to Article III, Section 2(A)(4)(b)(i) of the Constitution of Louisiana.

1 AN ACT  
2 To enact R.S. 40:5.3.1, relative to molluscan shellfish sanitation requirements; to authorize  
3 the Department of Health and Hospitals to grant exemptions from certain of the  
4 molluscan shellfish sanitation requirements; and to provide for related matters.  
5 Be it enacted by the Legislature of Louisiana:  
6 Section 1. R.S. 40:5.3.1 is hereby enacted to read as follows:  
7 §5.3.1. Exemptions  
8 The Department of Health and Hospitals, in consultation with the Department  
9 of Wildlife and Fisheries, may annually grant an exemption from the National  
10 Shellfish Sanitation Program's *Vibrio parahaemolyticus* and *Vibrio vulnificus*  
11 management plans to licensed oyster harvesters and certified oyster dealers if the  
12 licensed oyster harvester or the certified oyster dealer has not been epidemiologically  
13 linked to a *Vibrio parahaemolyticus* or *Vibrio vulnificus* oyster related illness.

09-223	√			US Food and Drug Administration (FDA) <ul style="list-style-type: none"> <li>Incorporating In-shell Product Concept (Shellstock Shipping)</li> </ul>		√		What is the difference between in-shell product & shellstock?
09-224		√		US Food and Drug Administration (FDA) <ul style="list-style-type: none"> <li>Remove Reference to Shucking (Shellstock Shipping)</li> </ul>	√			OK
09-225	√			US Food and Drug Administration (FDA) <ul style="list-style-type: none"> <li>Incorporating In-shell Product Concept (Reshipping)</li> </ul>		√		What is the difference between in-shell product & shellstock?
09-226	√			US Food and Drug Administration (FDA) <ul style="list-style-type: none"> <li>Requirement to Add Name &amp; Certification Number to Shellstock When Reshipping Only</li> </ul>	√			Oppose emphatically. This action would lose tracability to reshipper's.
09-227	√			Conference for Food Protection (Jeffrey C. Lineberry) <ul style="list-style-type: none"> <li>Exemption for Distribution Centers Operating in States Not Participating in the NSSP</li> </ul>		√		Oppose emphatically. This action loosens tracability and responsibility when more is being required of other certified shippers.
09-228		√		US Food and Drug Administration (FDA) <ul style="list-style-type: none"> <li>Remove References to Shucked Product (Depuration)</li> </ul>	√			
09-229	√			ISSC <i>Vibrio</i> Management Committee <ul style="list-style-type: none"> <li>Post Harvest Processing</li> </ul>	√			
09-230	√			ISSC <i>Vibrio</i> Management Committee <ul style="list-style-type: none"> <li>Post Harvest Process Validation</li> </ul>	√			
09-231	√			ISSC <i>Vibrio</i> Management Committee <ul style="list-style-type: none"> <li>Post Harvest Handling Definition and New Model Ordinance Chapter</li> </ul>	√			Amend Action #1. Give SSCA authority to set post-harvest growth requirement.
09-232	√			P & J Oyster Company, Alfred R. Sunseri <ul style="list-style-type: none"> <li>Post Harvest Handling New Model Ordinance Chapter</li> </ul>	√			
09-233	√			ISSC <i>Vibrio</i> Management Committee <ul style="list-style-type: none"> <li>Validation/Verification for Process Studies for Time and Temperature Requirements Related to <i>Vibrio</i> Management Plan Controls</li> </ul>	√			

### LOTF 2009 ISSC Issue Check List

Issue #	High	Med.	Low	Text of Issue	For	Against	N/S	Comments
09-304	√			P & J Oyster Company (Alfred R. Sunseri) • ISSC Task Force I Membership Change	√			Reflects 3 Instead of 4 regions.
09-305	√			P & J Oyster Company (Alfred R. Sunseri) • ISSC Executive Board Membership Change	√			Reflects the ISSC regions in the Present.
09-306	√			P & J Oyster Company (Alfred R. Sunseri) • ISSC Executive Board Term Limits	√			Reflects the NCIMS which opens the opportunities for new ideas.
09-307	√			P & J Oyster Company (Alfred R. Sunseri) • ISSC Constitutional Cost-Benefit Requirement for New Proposals that have a Significant Financial Impact on the States and Shellfish Industry	√			Since all States and Federal Agencies are supposed to do a cost-benefit & economic impact study prior to implementing new regulations, ISSC should as well.
09-308			√	ISSC Executive Office • Executive Board, Officers, Committees	√			
09-001	√			Pacific Rim Shellfish Sanitation Conference (PAC RIM) • Educational Outreach Common Carrier Associations	√			MONITOR
